### Pit Paddock Experience \$35

Whenever the cars are not on the race track during an event weekend they can be found inside the Paddock, the "locker room of motorsports." The paddock pass allows fans to be at the heart of the action amongst drivers, mechanics, officials, team owners and, of course, the mighty machines themselves - the very Indy cars that will take to the track at record speeds. Closes 1 hour prior to race start.

# SEE YOU AT THE TRACK!
