

### **Guidelines for purchasers:**

Thank you for purchasing an on-stage seat for **DIXIE'S TUPPERWARE PARTY**. These seats offer an exciting and unique way for you to be a part of the show. For your safety, please adhere to the following procedures:

**Please Note:** Patrons purchasing on-stage seats for **DIXIE'S TUPPERWARE PARTY** are active participants in the show and will be called upon to take part in the performance. Management reserves the right to relocate or remove any patrons during this performance who do not treat the show respectfully.

**Late Seating:** As a member of the on-stage audience, you must arrive to the theater early enough to be seated before the performance begins. **Please arrive at least 15 minutes prior to the scheduled performance time.** Please show your ticket(s) to the ushers at the front doors and you will be directed to your seats on stage.

**Please arrive on time. If you are not seated on stage by the time indicated, the theatre will have the right to relocate other people into those locations and we will try our best to seat you in another location inside the venue.**

**Personal Belongings:** Please limit the number of items you bring to the theater on the day of the performance. Since some of the show's action takes place throughout the seating area, all large coats, bags, cellular phones and other personal items must be kept tucked away in order to keep the seating areas and pathways clear.

**Photos and Video:** During the show, as with any show, the taking of photos or video is **PROHIBITED**. Dixie will be in the lobby after the show selling Tupperware. At that time she is happy to sign autographs and take photos with everyone.

**Programs:** As this is a real Tupperware Party the audience will receive a Tupperware Catalog and order form along with the show program. Please remember you are on stage in full view of the audience and should look over the catalog and order form before or after the performance.

**Restrooms and Concessions:** There is no intermission during the performance so please plan your trips to the restroom and concession areas accordingly. Food and beverages are not permitted on the stage.

**View of the Performance:** These seats offer a side/rear-view of some of the performance. Please note that some aspects of the action may be obstructed.
